

Borax Hot Spring & Steens Mt

One of the outflows from Borax Lake

A portion of Borax Lake shoreline and the landscape beyond

Veg on the edge of Borax Lake

**A small hotspring N and downslope from Borax Lake,
with this view looking upslope**

**Along the jeep trail N of Borax Lake
are a number of intriguing hot springs**

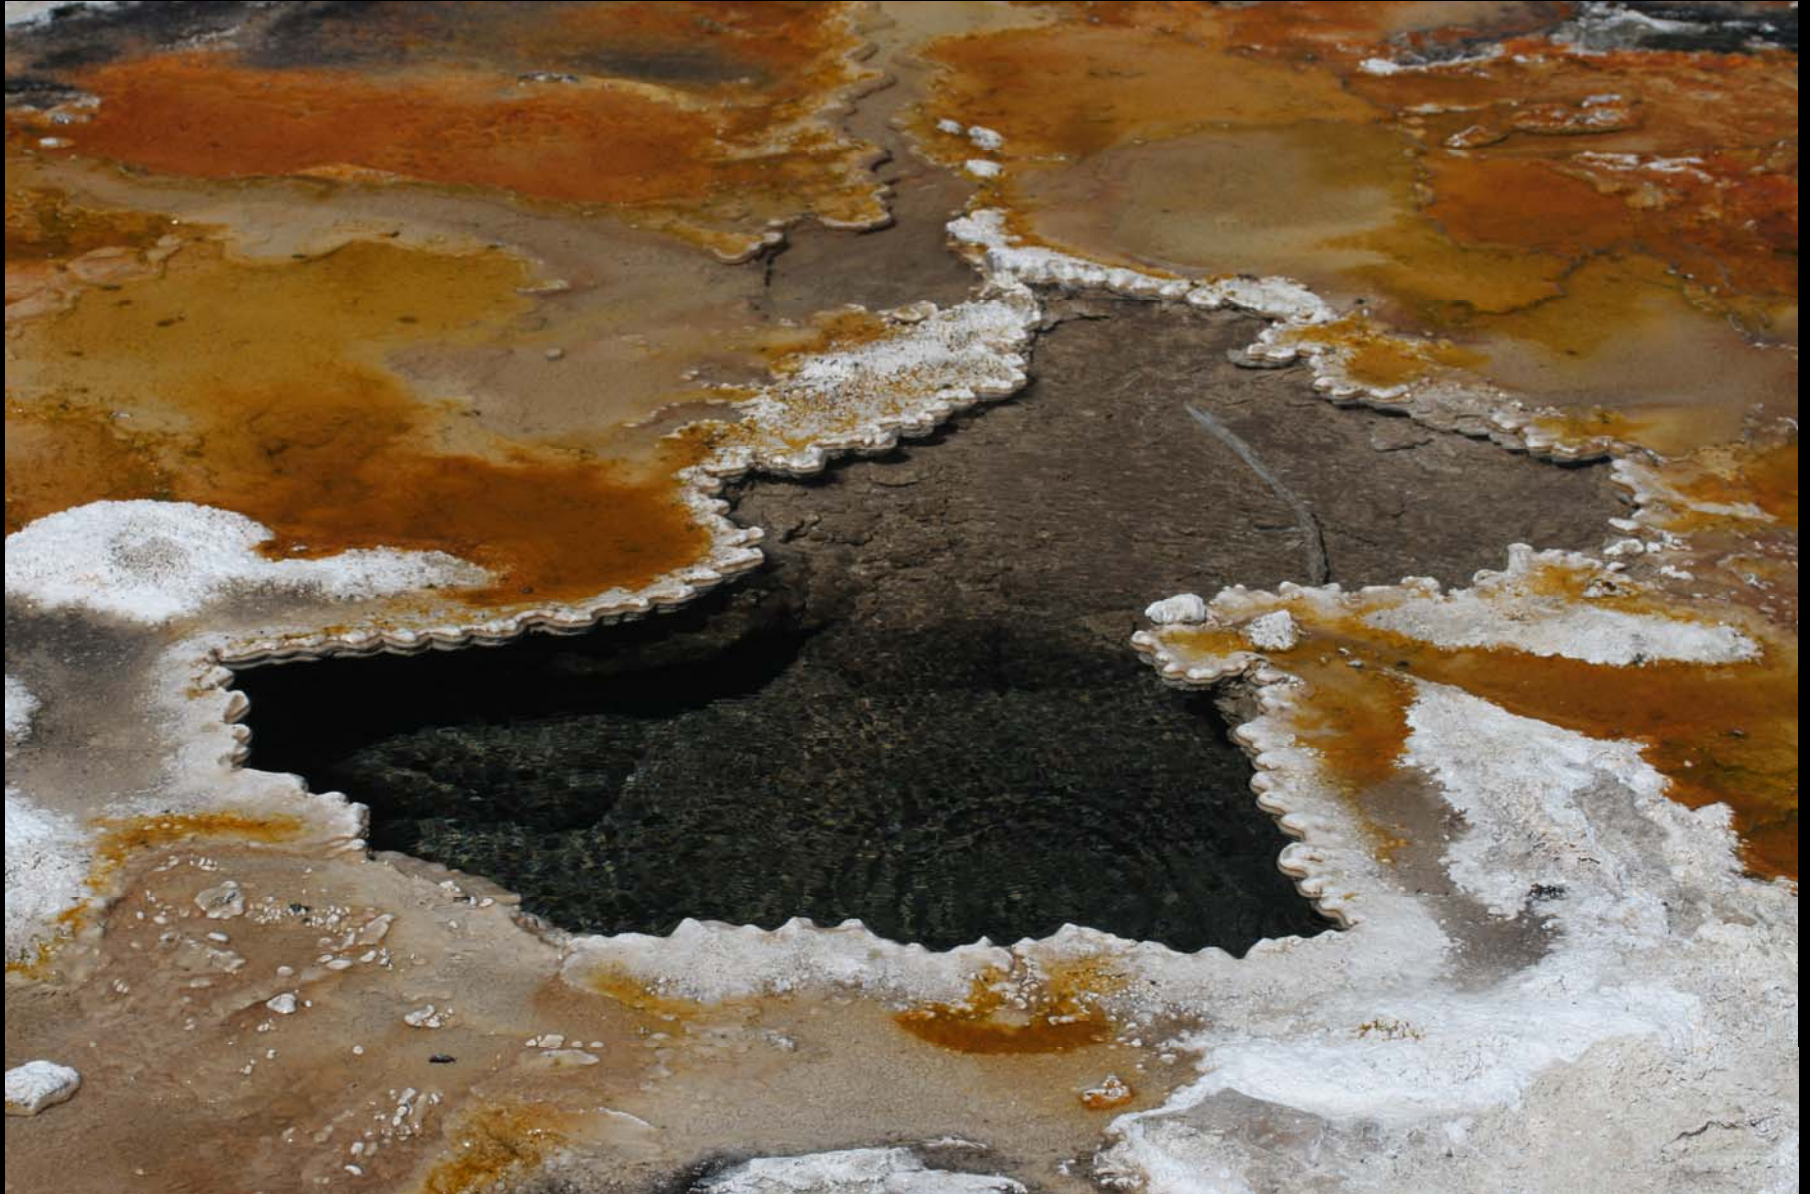

It seems amazing that this grass can survive

Another spring at N of Borax Lake

Closer view of the hot spring

And an even closer view

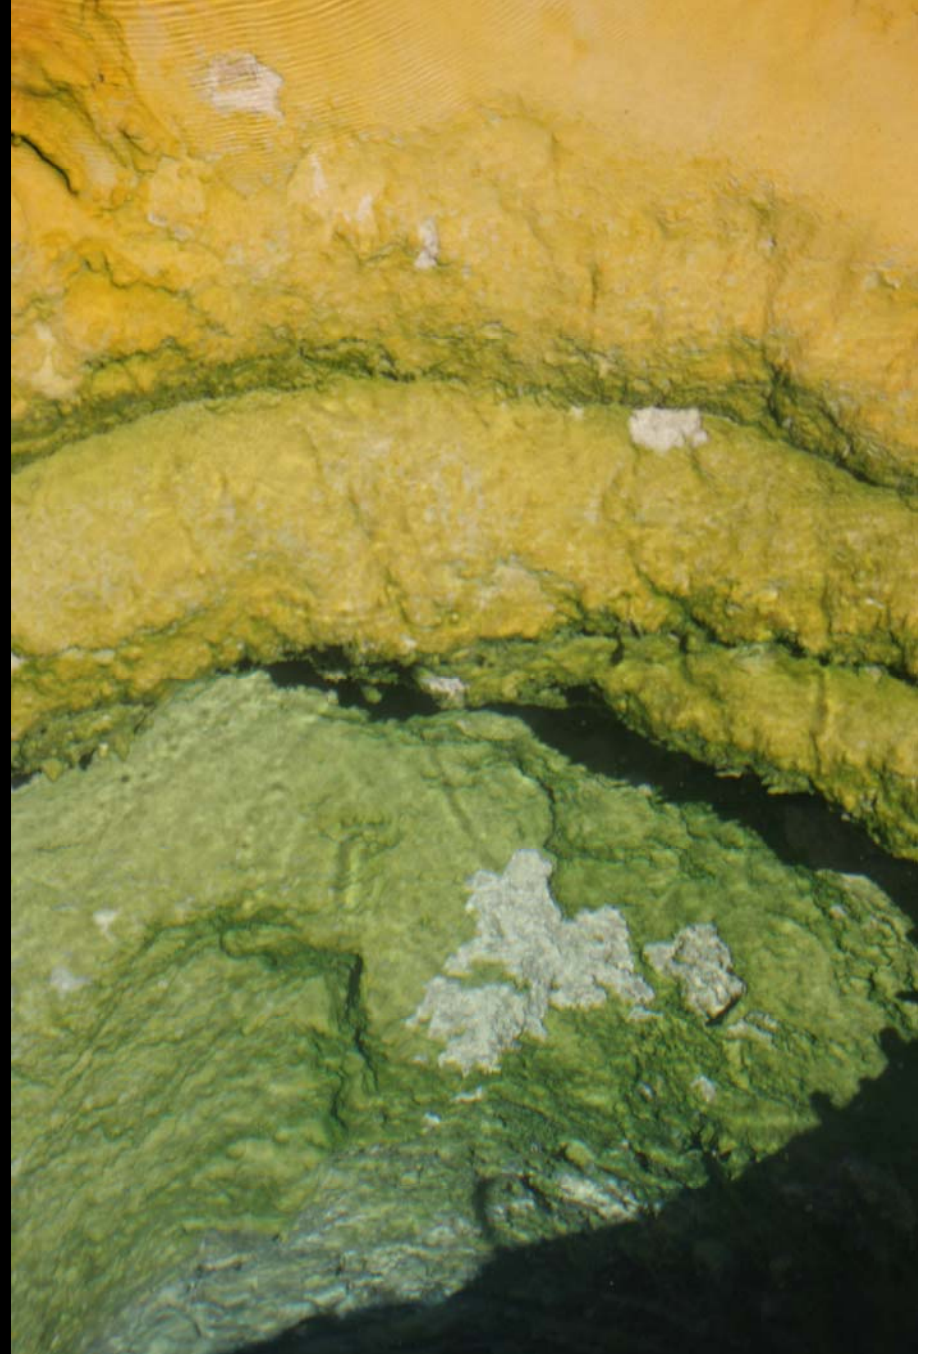

Another beautiful hotspring just off the jeep trail

And another nearby pool

A look down into a small springs with cooler temperatures

One of many tiny seeps just N & downslope of Borax Hot Springs
