

First Draft Transfer Schedule: Due back to Moyer, Monday, May 14th!!

Author:

Reviewer:

Criticizing Criteria: You must consider each item during your review.

(1) Did they stick to the requirements?

Length: 9 - 10 pages with

Spacing: 1.5 to double spaced text

Format: Intro with thesis, body of examples, conclusions supported

References: Standardized references from “primary” scientific literature
(websites do NOT count!)

(2) Target audience – Upper class undergraduates

Significance/interest factor

Content level

(3) Grammar & Spelling (e.g., who/whom, affect/effect, etc.)

(4) Style, minimize the weasel words!

(5) Conclusions supported by research papers (i.e., were the references appropriate and sufficient). Did the author make a convincing argument?

(6) Please limit overall review comments to a single page and when writing on author’s term paper, please use pencil.
