

Personal Classroom Response System (PRS)

ATUS will check out “clickers” to individuals during the first week of school. They strongly suggest that students take advantage of “Clicker Nights” if possible, to avoid massive line-ups during the daytime hours when staff may be busy with other classroom support duties.

ATUS Classroom Services, Miller Hall 155

Clicker Nights:

Thursday Sep 27 from 5pm – 7pm

Monday Oct 1 from 5pm – 7pm

Western Card is required

Clickers are checked out to an individual for the entire quarter, and each student will receive an automated email reminder when their clicker is due. The Equipment Loan Agreement Online https://west.wvu.edu/admcs/process/forms/Library/Equipment_Checkout_Agreement.aspx should be signed prior to arriving for checkout, and serves as the liability agreement for all equipment checkout throughout the student’s career at WWU.

If a student is unable to arrive during the Clicker hours, our regular hours of service are M – F from 7:30am until 5pm.

A small card will accompany each clicker to assist the student in getting started. Here is the text on the Help Card:

To Clear Previous Data

Clicker on while holding * and C

To Enter Student Number (“W” is required)

Press * twice for Setup

Scroll to ID > Press green → button

To Type W

Press any letter, scroll with arrows to W
