

Welcome to Biology 204

Registered students:

1. Record your name and student number on the yellow pad.
2. Pick up and read the syllabus.
3. Pick-up 2 pieces of scratch paper.
4. Visit the course web page at your earliest convenience.

Student who would like to register for this lecture (i.e. that need an OVERRIDE):

1. Record all of the requested information on the waiting list (white paper).
2. Pick-up 2 pieces of scratch paper.
3. Note that this waiting list does not guarantee admission into the course, and the list will be prioritized if space becomes available in the class.
4. In order to be considered for an override that will allow registration in the class:
 - you must attend all of the lectures during add/drop week,
 - there must be a seat available in lecture, and
 - there must be a seat available in a lab section that works with your schedule.
5. Please DO NOT pick up a syllabus. (There are limited copies, and it is available for you to read and/or print from my course web page.)
6. Visit the course web page at your earliest convenience.

First-day remarks:

1. What you can expect from me
2. How to get information from the syllabus and course web page.
3. How to get help in this class (me, TA, tutorial center)
4. Study hints :
 - Note-taking
 - Record lectures
 - Study groups (exchange info: name, major, year, contact, etc.)
 - Know your learning style(s)
 - Use the learning objectives and other tools
 - Plan for enough study time
5. Lab manual
6. Questions?

End-of-Class 2-min. write (anonymous):

- Reactions - Concerns - Questions
